Around Scarborough

Scarborough has everything for the family, from a day on one of the two blue flag beaches; one of which is a stones throw from the apartment to a miniature railway, sea-boat trips, open-top bus tours, children's activity centres and family fun centres.

The historic Victorian town of Scarborough was Britain's first seaside resort and has been welcoming visitors for over 360 years. Its architecture tells both the story of days gone by and the new modern Scarborough.

Pay a visit to the newly refurbished Spa, geological museums or the beautiful Scarborough Castle, which overlooks both the North and South Bays from its dominant cliff-top position. Stroll through the Victorian gardens in the South Bay or use Beach Escape as your base to explore the rugged coastline, secluded bays, Goathland railway, Robin Hood's Bay or Captain Cook's birthplace; Whitby.

Families looking for fun? Scarborough offers a variety of activities. Right on the doorstep of Beach Escape you will find Peasholm Park where you can enjoy punting on the boating lake, a round of mini golf or the putting green and, throughout the summer, enjoy alfresco music concerts in the park pavilion or watching the re-enactments of warfare battles which have taken place on the lake every summer for over 30 years.

The North Bay is home to Scarborough Sea Life & Marine Sanctuary, where you will find Yorkshire's seal rescue centre; a must-see attraction.

Finally for the energetic there are two championship golf courses, long walks along the coast and finally some superb restaurants to unwind in before returning to Beach Escape to reflect on that perfect day.
